Another view of the bedrooms from car parking area. We do not remove the existing large forest trees, rather build around and shape the house accordingly.

The river is directly beside the large lounge TV area.

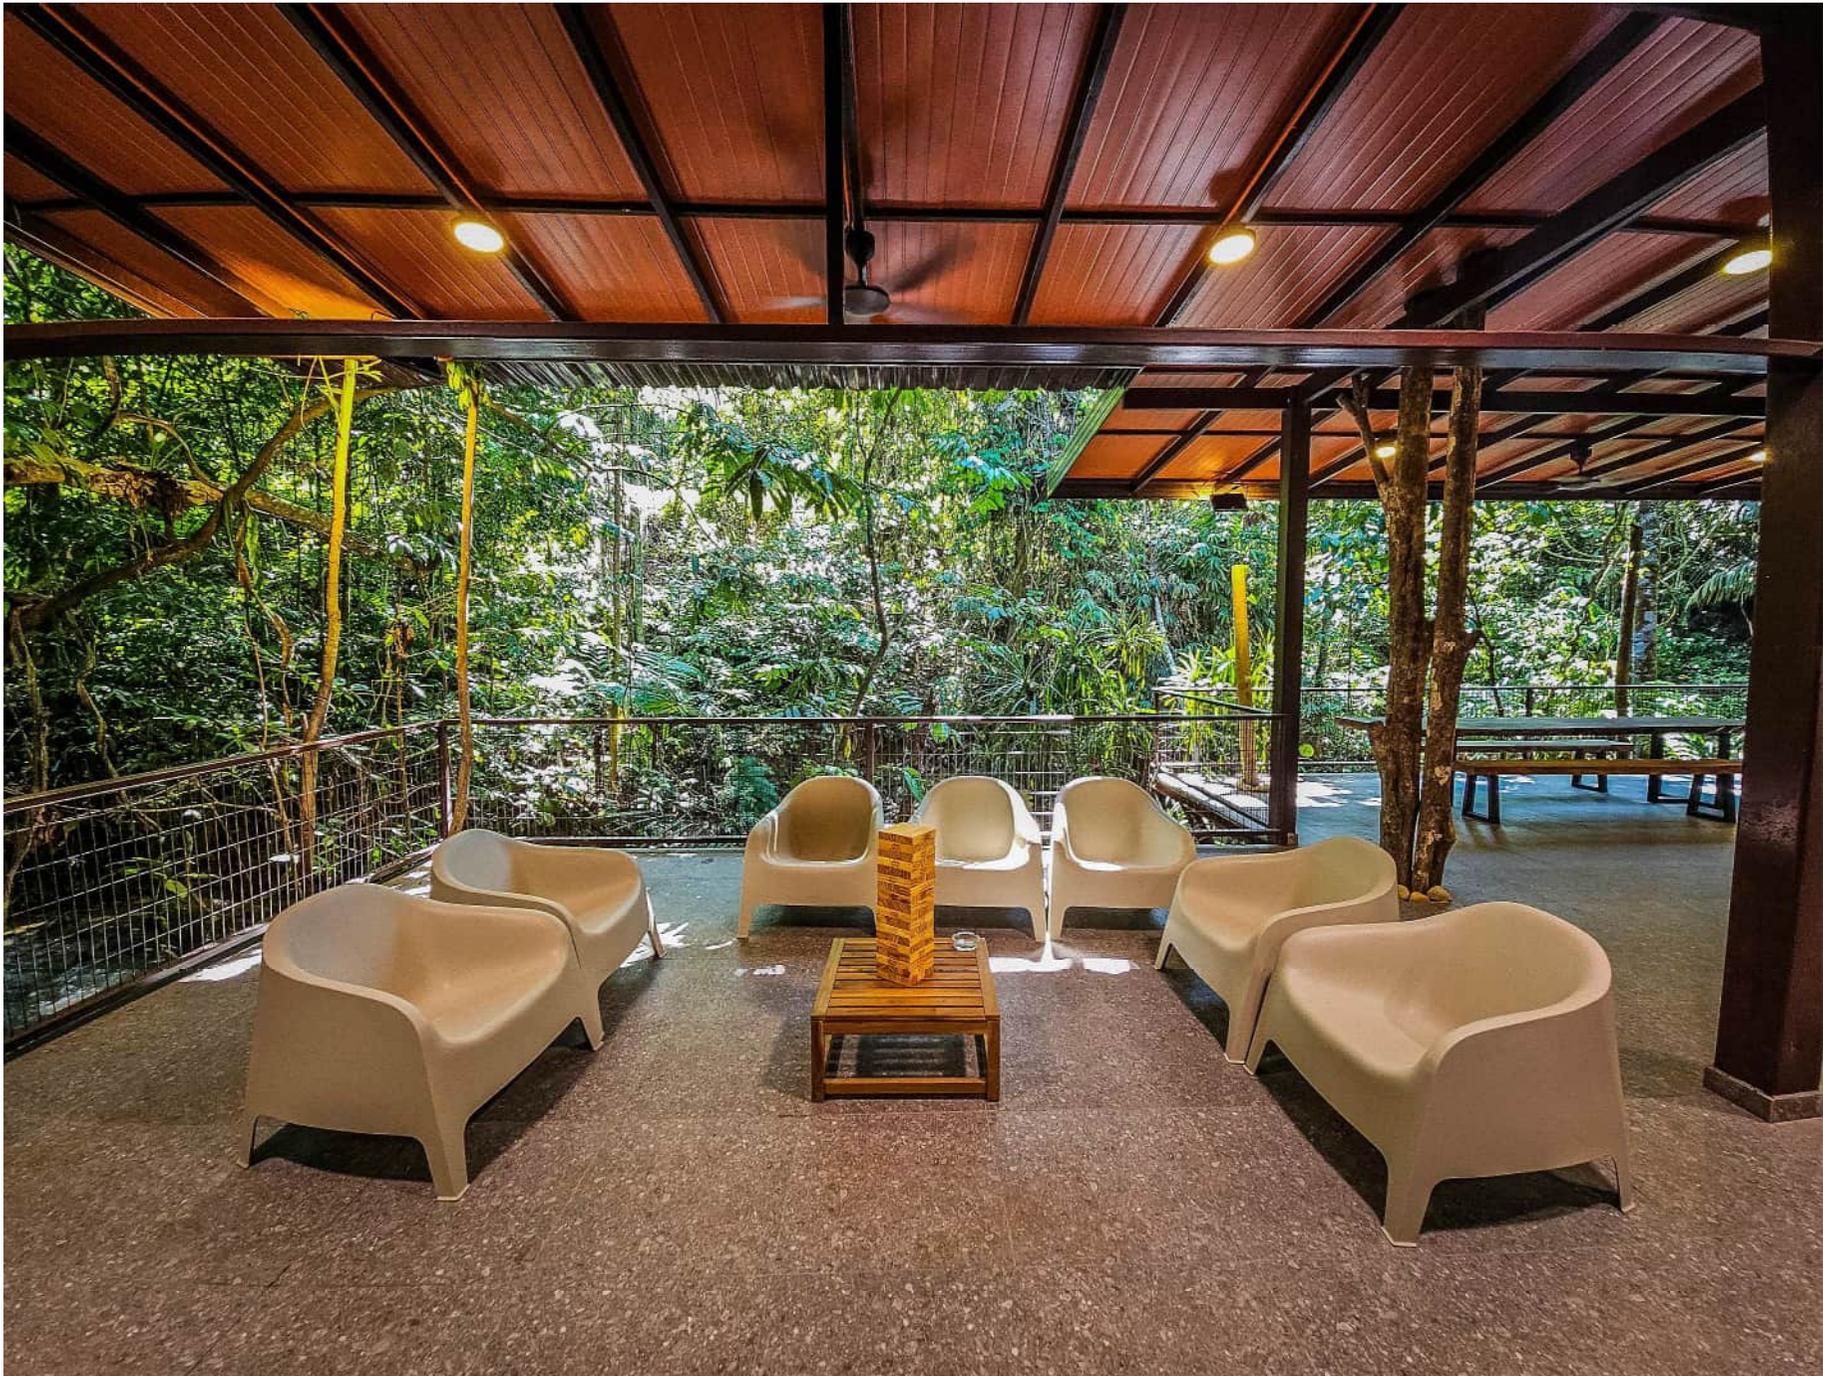

The lounge area is large enough to accommodate a large group gathering / meeting. There is a 65" smart TV with HDMI cable to project your materials. YouTube and Netflix is available. Mic and speakers, whiteboard provided upon request.

Large ceiling fan will help keep the naturally ventilated space cool. Plenty of sofas and lounging chairs for everyone. Baby chairs are available.

There are also wall fans around the lounge area. You can see the large forest trees poking out from the ground below to above the roof.

We provide Giant Jenga. The lounge area faces the forest and the river is over the railing.

There are many wooden tables for a large group, that some use the tables for dining or even writing / group breakout meetings.

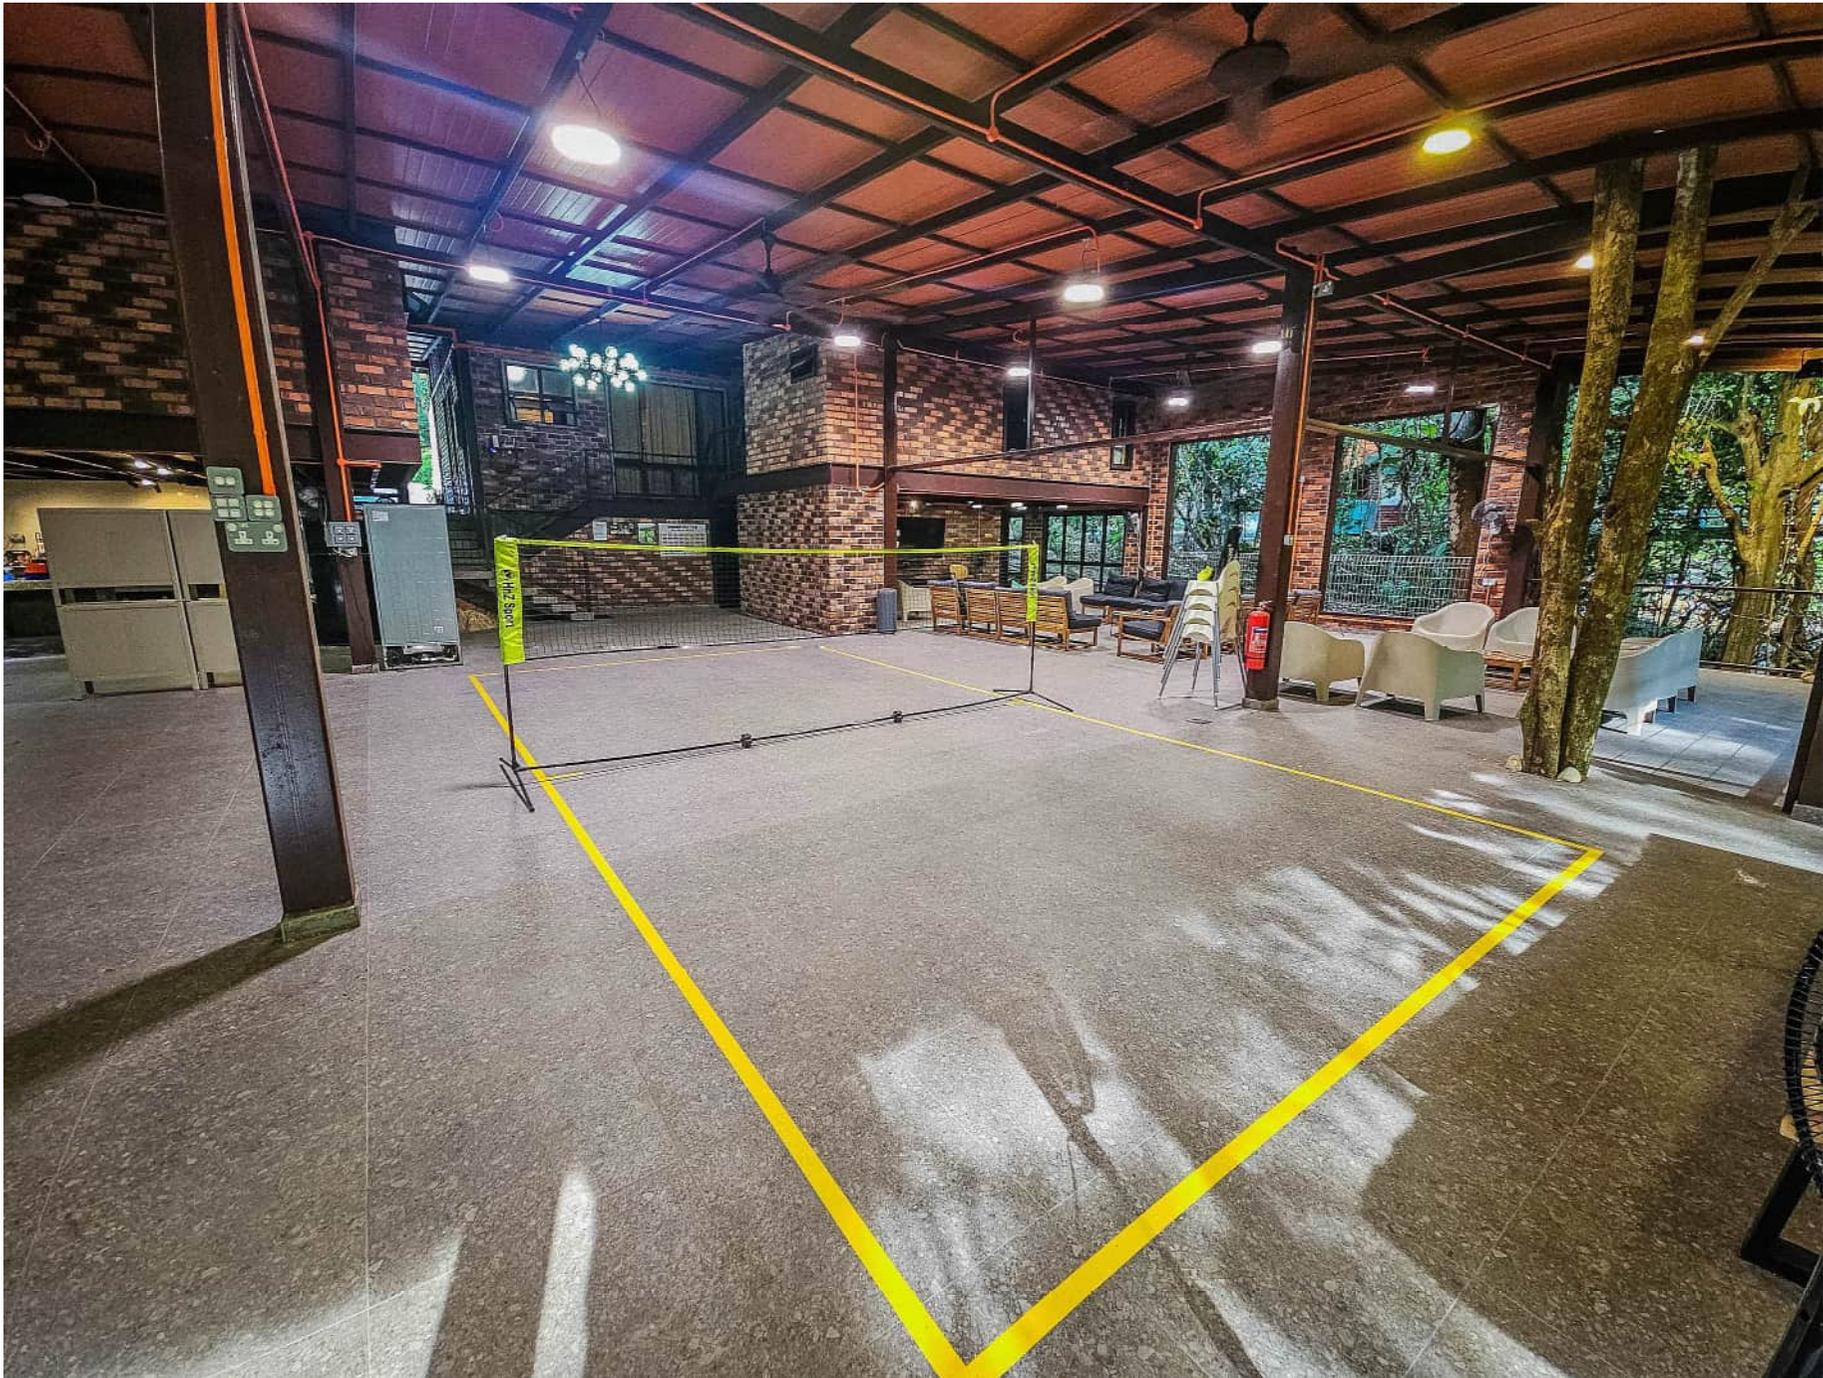

The wooden tables also are facing the river and forest, with ceiling fans above.

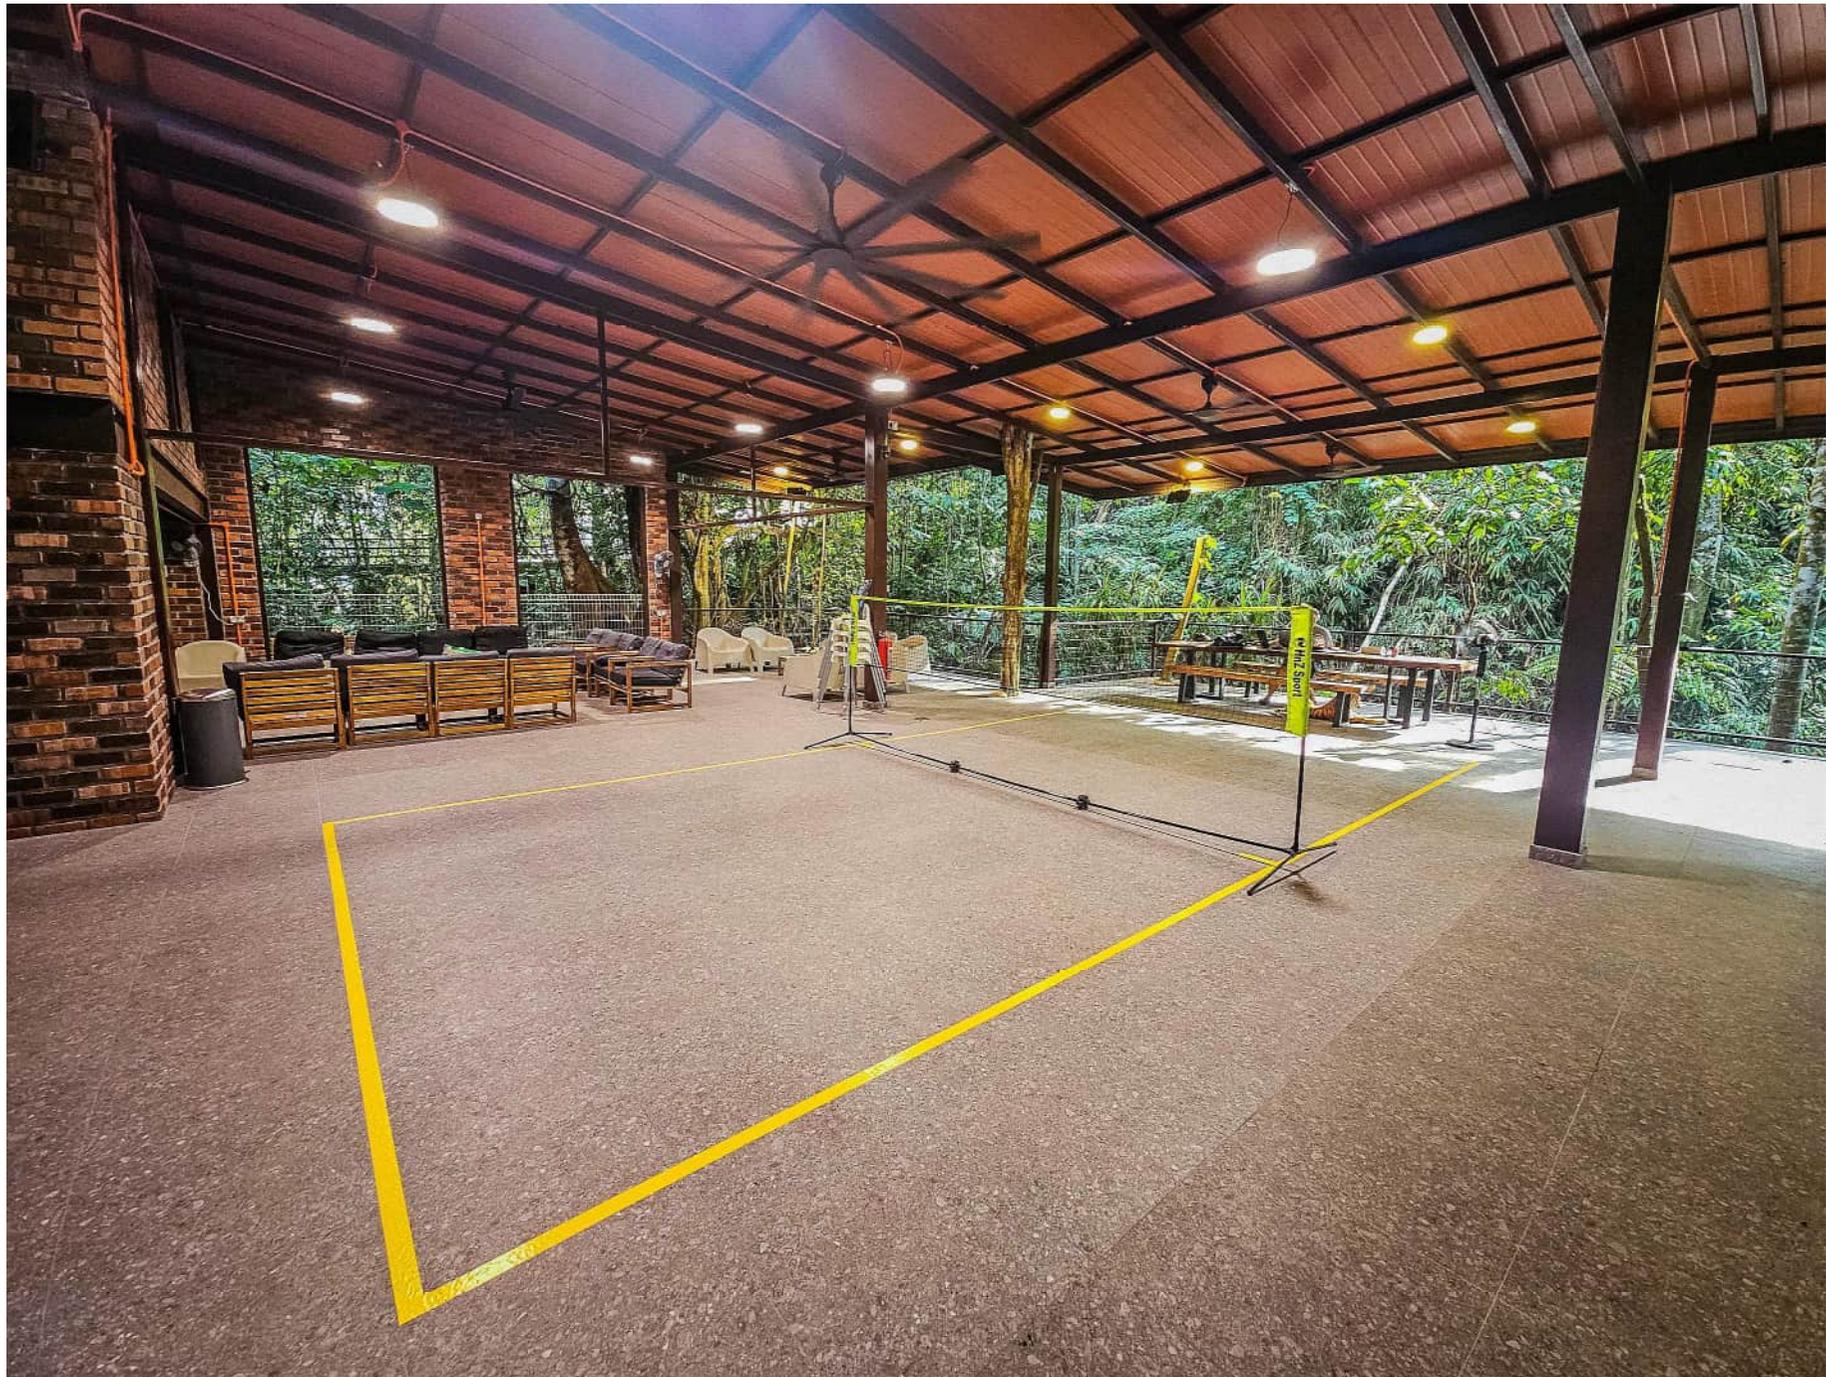

In the center of the house, there is a large open space which allows for guests to plan their indoor activities and games, yoga etc.
